Overview

2010 Fairline Targa 38 - Impeccable Condition, Ready to Cruise

This 2010 Fairline Targa 38 combines top-tier performance with refined style, standing out as a premier choice for those who value luxury and reliability on the water. With low engine hours and exceptional maintenance, this boat is fully equipped for comfortable, extended cruising.

The spacious cockpit area is designed for socializing and entertaining, featuring comfortable seating that converts to a dining area, ideal for al fresco meals and gatherings. The layout offers plenty of room to relax and enjoy the view, while the cockpit’s practical design makes it easy to access all areas of the boat.

One of the standout features of this Targa 38 is the ample sunbathing space. Large bow sunbeds provide an inviting spot for lounging under the sun, perfect for those long, leisurely days on the water. This area is complemented by additional seating in the cockpit, giving you multiple options for unwinding in comfort.

Key Features:

- **Engines & Power:** Low-hour engines, battery system charged via engine alternator, and 75-amp battery charger for reliable power on board.
- **Bow Thruster:** Side Power 6 hp bow thruster for ease in maneuvering.
- **Generator:** Onan 7 kW generator to keep all systems running smoothly
- **Air Conditioning:** High-efficiency air conditioning system for optimal comfort in any climate.
