Overview

Extensive Engines Service (2022) - Immediately Available

The Fairline Squadron 52 was ahead of its time through her innovative design. The current owner only had her for a year during which he did an extensive refit, teak, carpets, and air conditioning. She also had an upgrade of her telecommunications system, new safety equipment, and a reconditioned generator.

She has two en-suite master suites and a smaller cabin opposite the galley which is currently used by the captain. There is also an extra crew cabin with 2 single berths and a toilet which can be accessed from the cockpit.
