Overview

Seakeeper 16 - Fully Equipped

Privately Used - Luxurious Amenities

Groundbreaking engineering doesn't compromise the Sirena 64's sleek design that is both classic and modern. The sculptured lines of the Sirena 64 blend effortlessly with her high quality and refined style, where enjoyment is not only visual but also functional.

The interior is a testament to meticulous craftsmanship and attention to detail, with high-quality materials and finishes throughout. Luxurious cabins, each with its own ensuite bathroom, provide an intimate retreat for guests, while the master suite offers a private oasis with panoramic windows, ensuring breathtaking views from the comfort of the king-sized bed.

The Sirena 64 is not just a yacht; it's a symbol of refined living on the water. Every detail has been carefully considered to create a vessel that combines style, innovation, and comfort, making it a true icon in the world of luxury yachting.
