Overview

Major Refit 2022-2023 - Rebuild Sail Drives

New Standing Rigging (2020) - New Bottom Paint (2023)

While a forward cockpit is conventional on the modern cruising catamaran, the Leopard 44 distinctively offers an integral hardtop bimini, protecting the forward and aft cockpit, while also creating a comfortable outdoor living space. This Leopard 44 has been very well maintained and she is equipped with everything required to sail away. The engines are in excellent condition with upgraded alternators.
