## Engine Serviced in November 2024

The 1991 Wauquiez Centurion 49 is an exceptional vessel with a proven track record of meticulous maintenance and expert craftsmanship. The rigging, utilizing high-quality rods, was thoroughly checked and serviced by authorized Navtec technicians in 2009, 2015, and 2022, ensuring optimal performance and safety. The hull, meticulously handcrafted, features fiberglass fabrics and polyester resins, boasting an integral structure of frames and longitudinal reinforcements. It undergoes multiple internal treatments to guard against osmosis, complemented by two coats of anti-fouling.

The yacht accommodates three cabins and two bathrooms, offering comfort and practicality for extended voyages. The Yanmar 100HP engine (2009) ensures reliable power and performance, with the last engine service completed in July 2024. The sails are in good condition, further ensuring the boat's readiness for sailing. With an emphasis on quality and offered at an attractive price point, this fully equipped Wauquiez yacht is poised to exceed expectations in the market.
