Overview

Bavaria S30 Open 2023

Experience luxury and performance with the Bavaria S30, an exceptional boat that combines durability and elegance. The 2023 model, designed according to the PL 01-2023 specifications, offers comfort and style, perfect for exploring the seas or relaxing in crystal-clear waters. The boat impresses with its stunning appearance and luxurious interior layout, ensuring unique moments every time you use it.

The engine, a 6.2L -350- DTS EC, has only **16 hours of use**, demonstrating the boat's almost pristine condition. It features a quick electric windlass, electric bilge pump, and electrically adjustable Bennett trim tabs, along with an electric bow thruster with its own battery and a bathroom shower. The boat includes an exterior lighting package with underwater, step, engine room, and deck lighting, a 65-liter 12V refrigerator, and luxury cold foam mattresses with Memory-Top. Equipped with high-quality cockpit cushions, a portable air conditioner with an 8-hour battery, and exclusive teak wood on the deck and swim platform, the Bavaria S30 is ready to offer you a unique maritime adventure.
