Overview

The **Jeanneau Cap Camarat 10.5 WA 2017** is an exceptional walkaround boat known for its combination of comfort, performance, and style. This particular model has undergone significant upgrades and maintenance in 2024, making it even more attractive and reliable.

Key Features:

- **Yamaha Propellers 2024:** The boat is equipped with new Yamaha propellers
- **VHF 2024:** A new VHF system has been installed, providing enhanced communication and increased safety during navigation.
- **New Electrical Connections:** All electrical systems have been updated with new connections, ensuring flawless operation and minimizing the risk of issues.
- **Windlass Service 2024:** The boat's electric windlass has been serviced and is now operating perfectly, offering safety and ease during anchoring.
- **Annual Maintenance:** The boat has undergone its annual maintenance, ensuring it is in excellent condition across all aspects.
- **2 x 300 Yamaha (200 hours, 2017):** The boat is powered by two Yamaha 300 HP engines, which have 200 operating hours and are in great condition, having been regularly maintained.
- **Woodwork Maintenance:** All wooden surfaces on the boat have received professional maintenance, enhancing their aesthetic appeal and extending their lifespan.
