Overview

2009 ADAGIO 44 SUNDECK LBC TRAWLER FOR SALE

For sale is a well-maintained, VAT-paid 2009 Adagio 44 Sundeck LBC trawler, a yacht that blends comfort, seaworthiness, and functionality. Equipped with twin Volvo D4-260I engines, this boat provides an efficient cruising experience and is ideal for live-aboard lifestyles, especially for extended journeys in the Mediterranean.

The Adagio 44's interior showcases exceptional craftsmanship, particularly in its woodwork, built for lasting enjoyment. The spacious salon is bright, thanks to large windows that offer panoramic views. The owner's cabin has ample headroom and a walk-around queen-sized bed, while the second guest cabin comfortably accommodates overnight guests. The generous bimini, replaced in 2023, creates shaded outdoor spaces for relaxation, and the large swim deck makes sea access safe and easy.

This boat's displacement hull promotes stability and outstanding fuel efficiency, enabling long-distance cruising with nearly 1,000 nautical miles of range at an economical speed. Outfitted with a watermaker, 1,025 watts of solar panels (installed in 2023), a generator, a washing machine, and an electric outboard, this yacht supports extended stays away from marinas. She has been refitted and upgraded twice since 2021. With a low bridge clearance of 3.5 meters, it can also cruise the rivers of Europe. Owned by only two individuals, it has been meticulously cared for and maintained to a turn-key standard. The Adagio 44 is ready to set sail immediately and has been privately used with no charter history, reflecting its pristine condition.
