Overview

For Sale: 2013 Hanse 385 - Sleek Performance Yacht

Discover the ultimate sailing experience with this 2013 Hanse 385, a yacht known for its modern design, superior performance, and luxurious comfort. Whether you are seeking coastal cruising or an ocean adventure, this Hanse 385 is equipped to deliver in style and efficiency.

Key Features:

Well-Equipped Electrical System: This yacht comes with an advanced electrical system, including a BTR 185-85 Retractable Bow Thruster for smooth docking, a powerful 555W AMBER Solar Panel for energy independence, and a Victron Inverter paired with a Smart Battery Charger and Monitor. With 2 AGM Carbon North Batteries (195 Ah), an electronic control panel, and electric bilge pump, this yacht is set for reliable and efficient operation at sea. Shore power inlet with cables and adapters ensures seamless connection when docked.

State-of-the-Art Navigation & Communications: Sail confidently with top-tier navigation tools. This yacht is equipped with a chart plotter, VHF radio, autopilot, wind instrument, and compass—perfect for handling various sea conditions with ease.

Comfortable and Spacious Saloon: Step into a luxurious saloon, designed for comfort and entertainment. The large table accommodates 8 guests, while the L-shape sofa comfortably seats 6, complemented by a straight sofa for 2. Enjoy the onboard TV, sound system, and interior speakers, perfect for relaxing after a day of sailing. The interior boasts LED lighting and curtains for privacy, with a 2-meter headroom for a spacious feel. The chart table is functional and convenient for navigation.

Fully-Equipped Galley: Prepare gourmet meals on the 2-hob gas stove with oven, and store your provisions in the refrigerator. A stainless steel sink adds functionality to this modern, fully equipped galley.

Accommodations: The yacht offers 3 spacious cabins and 1 head, making it perfect for family cruising or entertaining guests. The portside aft and starboard aft double cabins both feature wardrobes with hanging space and shelves. The forward cabin is outfitted with a double bed and ample storage. The shared day head is equipped with a sink and shower, ensuring comfort on longer voyages.

Deck Equipment for Easy Handling: On deck, you'll find a Delta anchor, electric windlass, and a spacious teak cockpit with two steering wheels for easy navigation. The yacht is fitted with electric winches and a bimini with a stainless-steel frame for shade. A folding gangway, cockpit shower, bathing area, and swimming ladder complete the luxurious deck layout. Seven fenders ensure safe mooring.

Performance Sails & Rigging: This Hanse 385 is ready to sail with a roller furling mainsail (44 sqm) and roller furling genoa (30 sqm), designed for optimal performance under varying wind conditions.

Safety First: Fully equipped with fire extinguishers, a life raft, lifebuoy, life jackets, and an EPIRB for emergencies, this yacht ensures peace of mind at sea.

Tender Included: A dinghy with a reliable Honda 2.3Hp 4-stroke outboard engine is included, making it easy to explore shallow waters and access the shore.

This 2013 Hanse 385 is the perfect yacht for sailors seeking a well-maintained, ready-to-sail vessel with modern amenities, excellent performance, and a sleek design.
