Overview

VAT Paid - Keen Seller - Immediate Delivery

The Nimbus 380 Coupé is celebrated for its elegant design, exceptional build quality, and superb sea-keeping abilities—true hallmarks of Scandinavian yacht engineering. This 2003 model offers a harmonious balance of performance, comfort, and practicality, making it an ideal choice for both weekend getaways and extended cruising adventures.

Why Nimbus 380?

Step aboard and you'll immediately sense the craftsmanship and thoughtful design. The salon is bathed in natural light from wraparound windows, offering panoramic visibility and a serene ambiance. The fully equipped galley blends seamlessly into the living space, making entertaining effortless. Below deck, two private cabins—finished in rich wood joinery—offer restful accommodation, while a separate head with enclosed shower adds to the yacht's liveaboard appeal. Wide, secure side decks and a generous aft cockpit make movement onboard easy and safe, even underway.

Key Features

- **Bow Thruster & Stern Thruster** – For precision docking and stress-free maneuvering
- **Yacht Controller** – Enables remote engine and thruster control for solo handling

- **Raymarine Navigation Suite** – Including chartplotter, radar, autopilot, and depth sounder
- **Solar Panels** – Sustainable energy solution to support autonomy during long stays
- **Teak Decking** – Warm, elegant finish with practical non-slip properties
- **Spacious Cockpit with Canopy** – Ideal for al fresco dining or shaded relaxation
- **Double Sliding Side Doors** – Excellent ventilation and easy access
- **Separate Shower Compartment** – A rare feature in yachts of this class
