Overview

Immaculate Condition | VAT Paid | Only 500 Engine Hours

Major Upgrades

This **2016 SACS Strider 13** is a high-spec example of what happens when design meets performance. Professionally maintained and boasting **only 500 hours** on her twin diesel engines, she is presented in **immaculate turn-key condition** – ideal for owners who demand reliability without compromising on style.

Powered by **twin Mercury TDI V8 370HP diesel inboards**, coupled with **BRAVO III stern drives**, this vessel offers aggressive acceleration, smooth cruising, and optimal fuel economy. Precision docking is effortless thanks to the **Axius Joystick Control system with Skyhook**, while the **bow thruster** enhances maneuverability in tight quarters – a feature highly valued whether you're med-moored in Porto Cervo or tendering in Monaco.

Key Highlights:

- **Only 500 Engine Hours** – Light private use, no charter history
- **Twin Mercury TDI 370 V8 Diesel Engines** – BRAVO III Stern Drives
- **Axius Steering System** with Joystick & Skyhook Station-Keeping
- **Full Teak Decking** – Elegant and in excellent condition

- **Recent Upgrades (2023-2025)**
- **Bow Thruster** – Precision handling in all docking scenarios
- **VAT Paid** – EU tax settled, ready for private use

With her deep-V hull, sleek lines, and robust RIB collar, the Strider 13 delivers a dry, composed ride even in demanding conditions. Whether you're entertaining guests along the Amalfi Coast, or using her as a superyacht chase boat, this SACS is equal parts performer and showstopper.
