**One owner since new | VAT Paid | Keen Seller**

**Immaculate Condition | Ready to Set Sail**

This 2011 Lagoon 421 **Owner's Version** is an exceptionally well-maintained, comprehensively upgraded cruising catamaran. Privately owned since new and never chartered, she was purchased from Ancasta in 2012 and has been lightly used, with just 8,600 nautical miles on the log. She has been hauled out of the water every winter (except in 2018), contributing to her outstanding condition.

Designed for comfort, safety, and off-grid autonomy, this Lagoon 421 is truly turn-key and ready for extended bluewater cruising.
