Overview

VAT Paid - Low Engine Hours - Immaculate Condition

This 2007 Sea Ray 455 Sundancer is offered in **excellent condition** and benefits from numerous recent upgrades and comprehensive servicing.

Powered by **twin Cummins diesel engines** with only **800 hours**, she delivers smooth, efficient cruising with the reliability expected from a premium inboard setup. The yacht features a **bow thruster** for easy handling in tight marinas, and a powerful **generator** (1,200 hours) supports onboard systems including **air conditioning**, ensuring comfort in all seasons.

Recent upgrades include **new batteries**, a **new gangway**, a **new radar**, and a complete **anti-osmosis treatment with fresh antifouling**, making her mechanically and cosmetically ready for immediate use.

Key Features

- Twin Cummins diesel engines (800 hours) – fully serviced
- Generator (1,200 hours)
- Bow thruster
- Air conditioning throughout
- New batteries
- New hydraulic gangway
- New radar system
- New full anti-osmosis treatment and antifouling
