Overview

VAT Paid - Major Refit 2025

Meticulously maintained and significantly upgraded in recent seasons, she is offered in **truly turnkey condition** with **extensive technical and cosmetic enhancements**, including new electronics, full teak renewal, underwater lighting, and a tender package she is ready to cruise immediately.

Powered by **twin MAN 1200 HP diesel engines (Overhauled 2025)**, she delivers solid performance and handling for both long-range cruising and local day trips.

The interior features a **4-cabin layout**, plus **2 crew cabins** (sleeping 4) with a dedicated head.

With **two Kohler generators (16 kW and 9 kW)**, **full air conditioning**, **bow and stern thrusters**, and upgraded systems across the board, this Ferretti 680 is an ideal choice for owners looking for reliability, comfort, and style in one complete package.

This **2004 Ferretti 680** is a beautifully presented example of one of Ferretti's most celebrated flybridge models, blending Italian elegance, performance, and spacious living into a yacht that's as capable as it is luxurious.
