Overview

Lagoon 380 S2 - Immaculate Condition

This Beautiful Lagoon represents one of the most sought-after models in the 38-foot catamaran range. Well-regarded for her ease of handling, efficient use of space, and structural integrity, the Lagoon 380 remains a top choice for private owners and small-scale charter operators worldwide.

This vessel features the 4-cabin layout, offering spacious and well-appointed accommodations in both hulls. Each hull contains two cabins and a shared head, providing comfortable sleeping arrangements for up to eight guests. With a practical and balanced layout, this configuration is ideal for family cruising, charter operations, or hosting guests while maintaining privacy and convenience.

Her saloon is bright and functional, finished in light oak Alpi wood, with 360-degree visibility. The galley-up layout connects directly to the cockpit, ideal for entertaining and living aboard. The cockpit is protected by a rigid bimini and offers comfortable seating with easy access to the transoms and helm station.

Powered by **twin Yanmar 29HP diesel engines**, she cruises efficiently and handles well under sail, with a fully battened mainsail and furling genoa. All lines lead aft to the raised helm, allowing for easy short-handed operation.

Key Features:

- 4 cabins / 2 heads
- Twin Yanmar 3YM30 – 29HP each
- Raymarine navigation suite
- Solar panels
- Tender & outboard included
