# Overview

---

## **Refitted 2021 - Vat Paid - Keen Seller**

She represents an excellent opportunity in the 40ft flybridge category, combining strong Volvo Penta D6 performance. Delivered in 2007 (VAT Paid) and refitted in 2021, she offers a compelling platform for both private cruising and commercial deployment. With a two-cabin layout, extended swim platform and a well-appointed flybridge, She delivers comfort, functionality and operational efficiency in a compact footprint.

The Regal 4080 Flybridge is renowned for its deep-V hull design, offering reliable, predictable handling in coastal and island-hopping conditions. She has been professionally maintained, consistently upgraded and is presented in ready-for-use condition.

## **Key Features**

- **Twin Volvo Penta D6-350 (350 hp each)** – V-drive inboard propulsion
- **Kohler 8 kW generator**
- **Refit 2021** – cosmetic and technical enhancements
- **VAT Paid** – seamless EU ownership transfer
- **Two cabins + convertible salon (sleeps up to 6)**
- **Air conditioning throughout**
- **Bow thruster**
- **Extended swim platform**
- **Fusion premium audio system**
- **Raymarine navigation suite**
- **Charter-ready specification**

## Accommodation & Layout

She offers a versatile interior with a bright, full-beam salon and panoramic views. The lower galley is fully equipped, while the two cabins (forward master + guest cabin) provide comfortable sleeping arrangements for extended cruising. The salon converts to an additional double berth, bringing total capacity to six guests. The head compartment includes a dedicated shower area.

## Deck & Exterior

The extended swim platform enhances boarding and water access, ideal for charter operations and family cruising. A molded staircase leads to the flybridge, where the helm, guest seating and commanding visibility create a comfortable and functional upper operating station. Wide side decks and stainless rails maximise safety for guests on board.

## Technical Snapshot

- **Model Year:** 2007
- **Length Overall:** 11.10m
