Overview

Aft BBQ - Immaculate Condition

Premium Version

This Dufour 56 Exclusive represents a high-value, fully loaded Premium Version delivered for the international boat show circuit. Equipped with the upgraded 150 hp Volvo engine, dual thrusters, generator, air-conditioning, hydraulic gangway, and the sought-after aft BBQ/exterior galley, this yacht positions itself at the top of its segment for blue-water performance and luxury cruising.

The specification reflects a flagship-level configuration designed for owners prioritising comfort, autonomy, and operational efficiency.

Key Features

- **Factory-installed aft BBQ / exterior galley**, including grill, sink, and prep area
- Full teak deck package: cockpit, side decks, steps, and bathing platform
- Twin helm consoles with integrated navigation displays
- Large cockpit with cushions, teak table, and broad lounging surfaces
- Hydraulic Swimming platform

Broker's Comment:

This Dufour 56 Exclusive stands out through its premium specification and the highly desirable **aft BBQ galley**, a unique value driver in this class. It delivers a compelling combination of sailing performance, market-relevant comfort features, and a luxury presentation that appeals strongly to private owners and charter clients alike.

A compelling opportunity in the 55-60 ft premium cruising segment.
