Overview

Well-Maintained, Owner’s Version, Strong Inventory

The vessel offers **three cabins and two heads**, comfortably accommodating up to **six guests**, making her ideal for family cruising.

She is powered by a **Volvo D2-40HP engine** with saildrive, supported by a documented overhaul history and a comprehensive onboard equipment list. The yacht benefits from **recent sail upgrades (2021)**, modern Raymarine navigation electronics, solar power capability, and a practical cruising inventory that enhances autonomy and onboard comfort.

With her generous beam, twin steering wheels, electric windlass, and well-protected cockpit, this Dufour 385 GL delivers both safe handling and relaxed cruising, whether under sail or power.

Key Highlights

- **Private use only**
- **Battened mainsail & roller genoa (2021)**
- **Raymarine Hybrid Touch GPS / ST70+ Autopilot**
- **300W solar panels + inverter**
- **3 cabins / 2 heads layout**
- **Twin steering wheels**
- **Electric windlass (Lofrans 1000W)**
- **Recent engine overhaul**
