Overview

Immaculate Condition - 5 Cabins - Fully Equipped - Ideal for Charter & Private Use

This **2021 Bavaria C57 Style, 5-cabin version**, comes with a **proven charter track record**, having safely and comfortably hosted numerous guests with flawless reliability. Meticulously cared for, she’s ready to continue her life either in charter or as a private yacht, offering confidence and peace of mind from the first day on board.

Equipped from the factory with the Style Package, full B&G navigation at both helm stations and the chart table, air conditioning, generator and watermaker, she is a true turn-key yacht. Her versatile layout and comprehensive specification make her perfectly suited for both charter operations and private pleasure cruising.

Below deck, the five-cabin layout accommodates guests in four double cabins and one bunk-bed cabin, served by three heads. A separate crew cabin, fitted with two bunks and its own head, provides valuable operational flexibility. The interior is bright, modern and well-appointed, with a welcoming saloon, practical galley and ample refrigeration for extended stays on board.

On deck, teak surfaces, twin steering wheels, generous cockpit seating and a large cockpit table create an inviting social space, complemented by a hydraulic gangway, deck shower and easy water access via the swimming ladder.

A 2.80 m tender with Suzuki 4 hp outboard completes a practical and well-balanced cruising package.

Key Features
