Overview

Excellent Condition - Low Engine Hours

This **2005 Princess 50** is a well-presented motor yacht that has been carefully maintained throughout, offering a reassuring sense of quality, comfort, and reliability from the moment you step on board.
With low engine hours and a strong service record, she is fully prepared for immediate enjoyment.

Powered by **twin Volvo Penta 675 HP diesel engines (1,100 hours)** and equipped with **bow and stern thrusters** , she delivers smooth, predictable handling and excellent maneuverability in all conditions.
Her comprehensive navigation suite, including **Furuno NavNet C-Map**, radar, and a **Raymarine display on the flybridge**, ensures clear situational awareness both underway and during close-quarters handling.

Recent updates, including **new interior carpets and renewed flybridge upholstery (2024)**, enhance the onboard atmosphere, while practical features such as a **hydraulic gangway** and **full teak decks** contribute to both ease of use and timeless appeal.
The yacht is equipped with **Wi-Fi**, making her equally suitable for relaxed family cruising or longer stays on board.

Below deck, the accommodation layout offers **three comfortable cabins and two heads**, providing privacy and functionality for owners and guests alike.
A separate **crew cabin with its own head** adds valuable flexibility, whether used for crew, storage, or additional accommodation.

On deck, the teak-laid cockpit and flybridge create inviting social spaces, with generous seating, sunbathing areas, and excellent visibility from the helm, ideal for entertaining or simply enjoying time at anchor.

Overall, this Princess 50 Flybridge represents a clean, turn-key opportunity for an owner seeking a proven, well-balanced motor yacht with strong pedigree and timeless design.
