Overview

Beneteau Oceanis 37 MARIA | 2008

Priced to sell for winter 2026, MARIA is a 2008 Beneteau Oceanis 37 offering comfortable three-cabin accommodation, practical cruising equipment and a range of owner-reported upgrades. Under Greek flag and powered by a Yanmar 3YM30 30 hp diesel engine, she is an appealing option for families or friends looking to enjoy Mediterranean cruising.

Her interior features a forward double cabin, two aft cabins and a shared heads compartment with shower. The welcoming saloon provides space to dine and relax, while the galley is equipped with a cooker, oven, refrigerator and double sink. Cabin fans, hot water and shore power add everyday comfort, and the interior woodwork was revarnished in 2025.

On deck, the teak cockpit, bimini, sprayhood, cockpit cushions and table create a comfortable setting for time aboard. A semi-battened mainsail with lazy jacks and furling genoa provide a practical cruising sail plan, supported by an autopilot, cockpit GPS plotter, wind instruments, depth sounder and VHF. Additional equipment includes a solar panel, inverter, electric windlass and cockpit shower.

According to her owner, MARIA has been hauled out annually, with maintenance and improvements carried out across her rig, hull, machinery and onboard systems.

Owner-reported maintenance and upgrades

- **2023:** New sails; hull stripped back to gelcoat, followed by five coats of primer and fresh antifouling; steering overhaul; renewed anchor chain and 20 kg Delta anchor; replacement alternator and battery isolator; injector

servicing and valve adjustment.

- **2024:** Standing rigging replaced.
- **2025:** New engine mounts; shaft alignment and new cutless bearing; engine cooling system serviced; interior varnish renewed; exterior teak repaired and refinished; new eight-person liferaft and EPIRB battery.
- Spare second-hand sail set included.

With her versatile accommodation and investment in key equipment, MARIA offers an attractive opportunity for buyers looking to purchase this winter ahead of the next sailing season.
