VAT Paid	**Engine Type** Twin Volvo Penta D6-350	**Engine Hours** Port: 1,267 / Starboard: 1,286	**Engine HP** 700
Beam 4.20			

Overview

This 2006 Absolute 45 combines distinctive Italian styling with a practical two-cabin, two-head layout and a comprehensive cruising specification. Lying in Samos, Greece, with VAT paid, she features a dark hull complemented by cherry-toned interior joinery and cream upholstery, renewed in May 2019.

Powered by twin Volvo Penta D6-350 diesel engines producing 700 hp combined, she records 1,267 port and 1,286 starboard engine hours. A bow thruster assists manoeuvring, while the navigation package, upgraded in 2018, includes Raymarine GPS, chartplotter, autopilot and echo sounder. An 8 kW MASE generator with 272 hours supports onboard comfort, alongside air conditioning, heating and hot water.

A dedicated tender garage houses the tender and outboard, while a hydraulic gangway, cockpit table, deck shower and underwater lighting enhance time aboard. Below deck, the saloon and equipped galley provide comfortable living space, with two electric heads, including one with a separate shower. A bimini fitted in 2019 completes her outdoor cruising amenities.
